New Service Advisor:

Welcome, Kevin Casey! Kevin Casey is the newest addition at Stang Auto Tech.

As an advisor, he is replacing David Olson who needed

to move to North Dakota in November. Kevin is a great fit for the position with a lot of customer service experience. He is truly motivated to understand the needs of customers and work to find viable solutions. Kevin believes in the vision, philosophy, and integrity we have at Stang Auto Tech, and we are very excited to have him with us. During his free time Kevin enjoys sports, exercise and the outdoors. As a native of Georgia, he has grown to love the vastly different climate that Colorado offers and looks forward to the opportunity to work with you.

Reminders and Pre-Scheduled Appointments

We work diligently to provide you with information to make educated decisions regarding your vehicles' care. From appropriate oil service intervals to prudent preventive maintenance and predictive repairs, we want to provide you the best value possible, saving you time and money.

With the extended oil change intervals of today's vehicles, coupled with the higher mileage we expect from our vehicles before replacing them, regular visits mandate much more than a simple oil change. Inspections to identify necessary maintenance, potential failures, and anticipated repairs become a valuable tool in helping budget time and money for vehicle service. Regular visits also help to understand you and your vehicle's specific needs based on a multitude of variables.

We use reminders and pre-scheduled appointments to keep you informed of when your vehicle is due for service, and to help us keep a spot open for you in our schedule. We have worked very hard to implement a program that works well for the majority of our customers and have a lot of options to tailor this program to meet your unique needs and the requirements of your vehicle. Please keep us informed of how to make this most effective for you.

New Customer Benefits at Stang Auto Tech:

- 3 year 36,000 mile Nationwide Warranty on Parts & Labor (2 year, 24,000 on brake & clutch friction material, Batteries 3 year unlimited mileage), which is not prorated.
- Free membership in the Rescue Me Road Side Assistance Program with any \$25 purchase. Up to 2 road side assistance calls reimbursed up to \$75, up to 2 times per year.
- Courtesy Shuttle Service
- \$45 Rental Cars (while your vehicle is being serviced here)
